Disclaimers

Finish panels give an approximate representation of colour but do not reflect the wood figure and antiquing in the actual product. Wood species and distressing are inherent on individual items and finishes may change in appearance on flat surfaces versus antiqued surfaces. As each item of is finished by hand involving many steps, finishes ordered at different times may not match. Woods have individual grain and growth patterns; this results in each piece having a unique character. Some finishes may not be available on all items.
